Why Ayazuta?

We have spent over 2 years researching the issues of ICWA compliance nationwide, and developing solutions which meet the needs of Tribes, States and welfare organizations.

By supporting Social Workers with better information and tools, we believe that we can improve ICWA compliance, reduce costs, and get better outcomes for Indian Children.

Ayazuta has, and will continue to evolve as a community driven design, based on benefits to the Native American Child, the Tribe and the Case Worker.
